CIVIL ACTION NO. 1:08-CV-552

**MEMORANDUM ORDER OVERRULING MOVANT’S OBJECTIONS AND
ADOPTING THE MAGISTRATE JUDGE’S REPORT AND RECOMMENDATION**

Movant Michael Ray Harrison, a federal prisoner, proceeding *pro se*, filed this motion to vacate, set aside or correct sentence pursuant to 28 U.S.C. § 2255.

The court ordered that this matter be referred to the Honorable Earl S. Hines, United States Magistrate Judge, at Beaumont, Texas, for consideration pursuant to applicable laws and orders of this court. The magistrate judge has submitted a Report and Recommendation of United States Magistrate Judge. The magistrate judge recommends denying the motion.

The court has received and considered the Report and Recommendation of United States Magistrate Judge, along with the record, pleadings, and all available evidence. Movant filed objections to the magistrate judge’s Report and Recommendation.

The court has conducted a *de novo* review of the objections in relation to the pleadings and the applicable law. *See* FED. R. CIV. P. 72(b). The magistrate judge addressed the substance of movant’s objections in the Report and Recommendation and correctly concluded movant was not entitled to relief. After careful consideration, the court concludes the objections are without merit.

Furthermore, the movant is not entitled to the issuance of a certificate of appealability. An appeal from a judgment denying federal habeas corpus relief may not proceed unless a judge issues a certificate of appealability. *See* 28 U.S.C. § 2253; FED. R. APP. P. 22(b). The standard for granting a certificate of appealability, like that for granting a certificate of probable cause to appeal under prior law, requires the movant to make a substantial showing of the denial of a federal constitutional right. *See Slack v. McDaniel*, 529 U.S. 473, 483-84 (2000); *Elizalde v. Dretke*, 362 F.3d 323, 328 (5th Cir. 2004); *see also Barefoot v. Estelle*, 463 U.S. 880, 893 (1982). In making that substantial showing, the movant need not establish that he should prevail on the merits. Rather, he must demonstrate that the issues are subject to debate among jurists of reason, that a court could resolve the issues in a different manner, or that the questions presented are worthy of encouragement to proceed further. *See Slack*, 529 U.S. at 483-84; *Avila v. Quarterman*, 560 F.3d 299, 304 (5th Cir. 2009). If the motion was denied on procedural grounds, the movant must show that jurists of reason would find it debatable: (1) whether the motion raises a valid claim of the denial of a constitutional right, and (2) whether the district court was correct in its procedural ruling. *Id.* at 484; *Elizalde*, 362 F.3d at 328. Any doubt regarding whether to grant a certificate of appealability is resolved in favor of the movant, and the severity of the penalty may be considered in making this determination. *See Miller v. Johnson*, 200 F.3d 274, 280-81 (5th Cir.), *cert. denied*, 531 U.S. 849 (2000).

Here, the movant has not shown that any of the issues raised by his claims are subject to debate among jurists of reason. In addition, the questions presented are not worthy of encouragement to proceed further. Therefore, the movant has failed to make a sufficient showing

to merit the issuance of a certification of appealability. Accordingly, a certificate of appealability shall not be issued.

ORDER

Accordingly, movant's objections are **OVERRULED**. The findings of fact and conclusions of law of the magistrate judge are correct, and the report of the magistrate judge is **ADOPTED**. A final judgment will be entered in this case in accordance with the magistrate judge's recommendation. A certificate of appealability shall not be issued.

SIGNED at Beaumont, Texas, this 6th day of May, 2011.
